

Traveling Science Fair Request Form

Oak Ridge National Laboratory's Traveling Science Fair (TSF) is designed to encourage children of all ages to learn more about the benefits of science and the many career opportunities it can provide. The TSF is scheduled months in advance and is limited to events that are tied to STEM (science, technology, engineering and math) and attract at least 1,500 students. If you're interested in having the TSF come to your event, please provide the information requested below and **allow 2-3-weeks for review. Additional materials requested can be e-mailed to TSF@ornl.gov.**
